

ON-STAGE Rehearsals @ PAC: Recital Dy 2024
Saturday, June 1 at the North Charleston Performing Arts Center

Extra rehearsal time on the PAC stage for select classes:

We are able to have select classes space their dances on the North Charleston Performing Arts Center (PAC) stage the day of the recital shows (Saturday, June 1). We hope that having this extra time on stage will help our dancers feel extra confident as they translate what they've worked on in the studio to the larger PAC stage! We can only squeeze in a handful of classes for these On-Stage Rehearsals. The On-Stage Rehearsal Schedules are on the next two pages.

NOTE: This extra time on stage is *in addition to* the [Dress Rehearsals at the STUDIO May 28-30](#).

What should I wear for the rehearsals on the PAC stage?

That's somewhat up to you:

- **Arrive with hair & makeup done for whichever class you're performing in the recital shows FIRST** (not necessarily the class you're scheduled to space on the PAC stage).
- **Wear the correct shoes for each class when on the stage running your dance.**

If your On-Stage Rehearsal time is close to your performance time, we suggest wearing your full costume so that you're ready to perform. For some of you, it will not make sense to wear your costume during the On-Stage Rehearsal time because you'll need to be dressed/ready for a different class. [The Recital Info Packets](#) for each show list the order of classes/pieces. Please come to us with any questions, we are happy to help!

Warmly,

Rachel Solomon, Studio Manager: Rachel@DanceMovesofCharleston.com
